HIGH SCHOOL STUDENT SPONSORSHIP PROGRAMME

SPONSOR A HIGH SCHOOL STUDENT

Your sponsorship will support:

Tuition fees

Stationery & Materials

WST Mentor

Boarding fees (if required)

Device (if required)

For many Grade 7 pupils of the Winterberg School Trust, continuing their education means attending a high school where resources are limited and class sizes are large—making it difficult to reach their full potential. To support top-achieving students, we offer bursaries that allow them to study at a reputable high school in a nearby town or through an accredited online institution. By sponsoring a high school student, you can provide a dedicated learner with quality education, essential learning materials and ongoing mentorship from a Winterberg School staff member. Your support could change their future. Be the difference that helps them thrive!

WANT TO SPONSOR A HIGH SCHOOL STUDENT? HERE'S HOW IT WORKS:

- Reach out to us via email to express your interest.
- We will match you with a student based on your preference or where support is most needed.
- You will receive an introductory email with details about your sponsored student.
- We'll send you regular updates on their progress, achievements and how your support is making a difference.
- Come and visit your student! Whether in person or virtually, they would love to connect with you and share their journey.

SUPPORT OPTIONS

Full sponsorship starting from

\$135 / R2 500 / £108

PER MONTH

Please note that support differs depending on the student and their institution
